A LETTER FROM MONSIGNOR

Dear Parishioners,

This coming weekend is the walk for life in Lincoln. This is a great way to show our support for all life issues and the sacrifices associated with the walk can be offered for a greater respect for life. It always seems that the day for the walk is a cold day and that discomfort can be offered as a prayer. Also the fact that we live outside of Lincoln and the extra time that it takes to get to Lincoln and the extra work that it takes to organize ourselves to get there on time is an offering that can be made for greater respect for life. There is clearly a need for prayer that everyone will grow in their respect for life. In our world today there are so many different ways that we show a disrespect for human life and the change begins with the understanding of the sacredness of life from the moment of conception. I encourage everyone to reflect on the awesome nature of life, from conception to the day God calls us from this life to Himself. It is amazing how God has created us, and how He has called us into relationship with Him and how we are aided by His life shared with us to do good. The more we reflect on these simple truths the greater respect we will have for our own life and the lives of others, and this is at the root of the change that we need in our world. So, if you are able please consider attending the walk for life, and if you are not able to attend this annual event, please remember to pray for a greater respect for life in our world.

Actively participating in events like this reminds me of the good that we are called to do each day and the reward that we receive, or others receive from the good that we do. The greatest good that has ever been done in this world is everything that Jesus did while he was on this earth. From the good deeds that he did for those who were suffering or in distress, to His death on the cross. He did not do those for Himself, but He did them for us, and since His deeds were perfect offerings, there is a superabundance of grace, or reward that was won for us and that we receive every time that we cooperate with His invitation to do something good. The greatest part about this is that we can also help others by offering the good that God calls us to do for others. We know that God wants us to follow Him, but He also wants us to help others follow Him. So we pray for God's help for ourselves and for others. Keep asking God to help you to know His will and for the grace to do it, and keep praying for others, so that together we may be His witnesses in the world, and we may help others to know and love God. God bless you. -Msgr. Tucker

You will notice a "SPIRIT Giving Wall" in the narthex. This wall offers some suggestions on what parishioners can donate for our fundraiser. Simply take one of the suggestions from the wall, purchase the item, and bring it (along with the shamrock tag) to our church office. (These are just some ideas, if you would like to donate something else entirely, we would love that too!) We will be auctioning off these items and more at **SPRIT 2019!** Thanks for your support!
