## A LETTER FROM MSGR. TUCKER

Dear Parishioners,

I put a voting information from the Catholic Bishops in the bulletin a couple of weeks ago and stated that the Nebraska Catholic Conference did not at that time have a voter's guide. I received their information this week and you can find their guide at [www.NebraskaCatholicVoter.com](http://www.NebraskaCatholicVoter.com). This will provide information about all local candidates and also have information for every county in Nebraska.

This weekend is the collection for the Holy Land this weekend. September 14<sup>th</sup> is the feast of the Exultation of the Cross making this an appropriate time for this collection. Mount Calvary is inside the Church of the Holy Sepulcher is the most important Church in the Holy Land. The entrance to the Church provides a constant reminder of the importance of support this annual collection. During the time of Crusades Muslim armies would take the Holy Land from the Christians and then prevent them from going into to the Churches. They would take the doors out and cover the entrance with stone blocks. Today, you can still see the way the entrance to the Church of the Holy Sepulcher was blocked during those days. It is very clear looking at the entrance that this happened numerous times as the possession of the church changed hands over and over again. Today there is still a great need for support of the Christians in the Holy Land, as various political groups are trying to push them out. Your support of the Holy Land collection will help keep a Christian presence in the Land of Jesus.

I have been working on presenting a reflection on the Matthew Kelly book, "Rediscover Catholicism". I will present this as a Zoom meeting. This will allow you to take part from your home, and it will also allow you to ask questions through the chat button on Zoom. To participate in the class, I will need your email address, so I can send information to you about the presentation. I will also record the presentations, so if you are unable to join in during the schedule time, you can watch it at a later time. I will need your email for that also. You can call Gloria and give your email address to her. Please do this by September 25, as I will begin the presentations shortly after that date. I will not have a regular day for the presentations, as it will vary from week to week which day will work best for me to present. Again, if the time does not work for you, you can view the presentation at a time when it does, as all the presentations will be recorded. God Bless you!

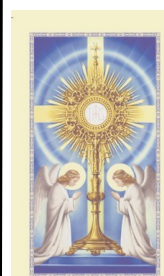

-Msgr. Tucker

## RCIA

Are you interested in entering the Catholic Church or want to learn more about the Catholic Faith? You're not alone and RCIA is for you! With RCIA (Rite of Christian Initiation for Adults), we will dive deeper into the Faith together as we discuss salvation history, Sacred Scripture and Tradition, Sacraments, and how to foster a deeper relationship with our Lord Who always desires to be with us. We will meet

on Monday's from 6:30PM-7:30PM beginning on September 14. Please contact me at [fr.allan-phan@cdolinc.net](mailto:fr.allan-phan@cdolinc.net) so I can get an accurate count to make sure we have a place that will safely allow us to meet. If you'd like to attend, but are not confident in coming in person then let me know and I can make a zoom session possible or record it and email it to you! If you have any questions or concerns, like if you can't meet at the designated time, don't hesitate to let me know and we can work something out. God Bless!
