MESSAGE FROM MSGR. ROBERT TUCKER

Dear Parishioners,

On Friday we celebrated the feast of the Sacred Heart of Jesus and on Saturday was the feast of the Immaculate Heart of Mary. These feasts remind us of God's love for us. The prophet Hosea uses an expression that is so familiar to us to express God's love for us. He uses the example of a parent and a child. He reflects on a parent helping their child to walk, feeding their child and lovingly holding their child to their cheek. This is a good image for us to reflect on with regard to God, and the Blessed Mother. They love us and care for us through the gift of grace and pleading to God for our needs.

These feasts remind us of our response to our neighbor. God loved us first and always, and He calls us to love one another. It is so easy to react to our neighbor with aggression, to hold on to hurts and be focused on ourselves. We need God's help and our Blessed Mother's help to love one another as they love and care for us. Remember to use these summer months to grow in relationship with God and the Blessed Mother by attending Mass and praying the rosary. They will help us to grow in love for others, as remember that without the help of grace, we can do nothing! God Bless you.

Msgr Tucker

SEVEN SISTERS

Are you interested or do you feel a calling to help strengthen the Church by ensuring that a Holy Hour is prayed each day of the week for the sole intention of a specific priest. Do you have additional questions, please give Judy Vandenberg (402-643-4117) or Gloria (402-643-3247) in the church office a phone call.

The insert in this week's bulletin is full of "Not to be overlooked" announcements. Please check it out!

** DISHES **

As always, we want to thank our parish ladies for their generosity when asked for any type of help when called for a funeral. This means so much to the families! Your dishes can be picked up on a small shelf unit in the hallway to the cry room .. next to the wheelchairs. We are trying to clean up the Narthex area. If not picked up by next weekend, we will donate to charity .

Always check the front section of the bulletin for daily Mass times!

St. Vincent de Paul, later this month, will launch a planning study to gauge support to fund several campus building and remodeling projects. Here are some questions – and their answers – you may have as we move forward with this study:

What is this all about?

Parish leadership created a master plan for our parish. The focus of the plan's first phase, among other things, is to create space: a gymnasium, a commons area, office and classrooms.

Why a study?

A study determines whether the projects under consideration have your support and whether we can raise the funds to finance them.

When does it start?

June 17

Who should participate?

Everyone!

What else will a study tell us?

The study will help determine what we could raise in a campaign and who might be willing to help lead it.

How do I participate?

Look for a letter, which will be sent to all parishioners, to explain how you can provide your input.
