MESSAGE FROM MSGR. TUCKER

Dear Parishioners,

I have some great news to share. After listening to your feedback and then having many conversations with the architects and parish leadership, we have new design plans for the parish renovations to share with you. As you exit the sanctuary today, please take a minute to stop in the Narthex and view these new drawings. These new plans are an improvement to the original designs and will provide much more functionality to the entire parish. You will hear more about these plans in the coming weeks, but if you have any questions before then you can either visit the website or talk to anyone on the campaign leadership team, including me, Jeff and Janet Bohaty, Glen and Pam Hochstein, Mark and Lisa Peery, Aaron and Carrie Busse, Dave and Renee Coufal, Tim and Marilu Fichtner, Jeff and Trish Reimers, Jason and Kathy Summa, Scott and Camille Wanetka, and Tim and Michelle Winkelmann.

There is a financial goal to this campaign, since it does take the gift of our treasure to build onto and renovate our current space, but this is only one part of a bigger picture. The brick and mortar are something anyone can do, and with the financial resources it is possible. The bigger picture is unity in the plan and purpose that God has set on the hearts of all who believe. The drawings show clearly an area for education of children in our School and for those in our CCD program, and for meetings and gathering of people in our current spaces to grow in faith. The two areas are connected with our social hall in the center. The two areas of growth for children and families and all parishioners is a united effort, and this is the bigger picture. The efforts we are putting forward in this building project are directed to growth in our parish. Growing in faith and commitment to God through growth in our School, and education of all children, and growing as families of God through our participation in all parish activities. This is the big picture, and we are praying each day for it to come about through our efforts in the "Gather and Grow" campaign. Thank you for your interest and support." God Bless you.

Msgr. Tucker

Our Diocese's annual Bishop's Appeal for Vocations is now underway. This appeal helps us meet some of the expenses for our diocesan seminarians. It helps make their studies, training, and formation for the priesthood possible. You can find a white donation envelope in your recent tithing packet. Thanks.

Firehawk News

Firehawk students are continuing their Pen Pal program at St. Vincent de Paul. This is their fourth year of writing letters back and forth to the Pen Pal they received in 1st grade and keep throughout their time at the school. The school matches them up with adult parishioners at St. Vincent who are willing to participate in the program. It has grown to be a favorite between students and adults alike. If you would be interested in this program, we would love to have you come on board! Contact the school office at 402-643-9525
