## MESSAGE FROM MSGR. TUCKER

Dear Parishioners,

This Monday as we celebrate Veterans Day, we are grateful for all that have served in the military. Their sacrificial gift for freedom and peace has not only been a blessing to us, but to people all over the world. Let us pray for these great men and women. Prayers for those who gave the ultimate gift of their very lives, and for all actively serving that the God may protect them from harm.

Let us also pray for all newly elected government officials. The wisdom of God guides us to make good decisions and to govern with justice. Our prayers for our government leaders are important and powerful, and it is our duty to help them with this spiritual gift.

It is not too soon to begin thinking about Advent, and preparation for the celebration of the birth of Jesus. The season is a traditional time to increase our time in prayer and reflection. God came down to earth for us to know His great love for us. He comes down from heaven each day with the gift of His grace, the gift of sacramental life, and the abundant blessings that we too often take for granted. A spiritual time of prayer and reflection will expand our minds and hearts to receive Him in these gifts. There will be more coming to provide a list of resources that will help us make Advent a blessed preparation for the birth of our savior! God Bless you.

Msgr. Tucker

## Firehawk News

Last Monday, Nov 4th, was a day of great graces. Directly after Mass, we prayed the Patriotic Rosary together as a school community for our country. Part of what I think makes the Patriotic Rosary so special is that we pray for each of the 50 states by name during each Hail Mary of all 5 decades of the Rosary. To involve the students in this beautiful offering of prayer, each student held one or two state flags and formed the shape of the Rosary together with some of the teachers. During the Hail Mary offered for their state, the student holding that state flag would raise it up high so all could see. After the Patriotic Rosary, we then honored our veterans with a playing of the Armed Forces songs and recognizing them for their service. We also took names of veterans hung up on our display for veterans day. Recognizing those who have served our country always fills me with gratitude for the beautiful country we live in. What a grace it was to pray for our country and to recognize our veterans! I am sure that the Lord has heard our prayers and is pouring particular graces on American citizens because of our prayer. May our Lady, the Immaculate Conception, patroness of the United States, pray for us and bring us closer to her Son, Jesus!

In the Hearts of Jesus and Mary,  
Ms. Maggie McDermott, Music Teacher
