## MESSAGE FROM MSGR. TUCKER

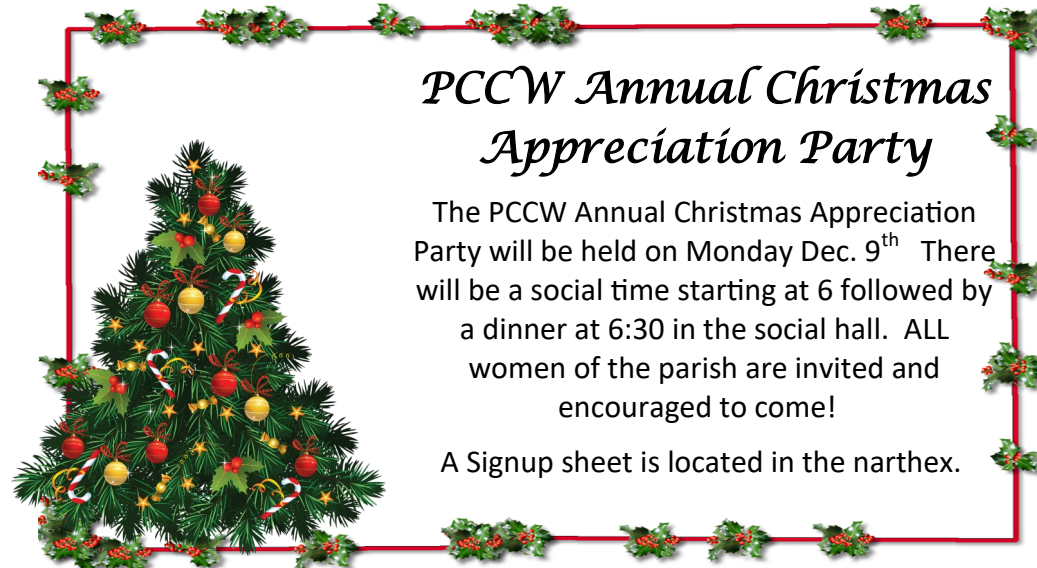

Dear Parishioners,

I made this announcement on Monday, and in case you did not hear it, I am presenting this in the bulletin, that we will soon begin a search for a new principal for the 2025-26 school year. Mrs. Denise Ray ( will be retiring after 31 years of Catholic education) and will continue to the end of this current school year. There will be a selection committee formed from parents, school staff and parish members. Fr. Stoley, the Diocesan Superintendent will also be a part of the process.

I am grateful for the blessings Mrs. Ray brought to St. Vincent's in her seven years, and those she will continue to share with our students and their families through the rest of this school year. I pray in gratitude for her work and ask the Lord's blessings on all her future endeavors. Please keep the search for a new principal in your prayers.

There is a lot to look forward to, with the initial success of our Gather and Grow campaign. We are at 40% of our goal, and I am pleased with the generous contributions, and the excitement that this has generated. There is a real need for a separate and dedicated area for the education of the children of the parish. I wish that the plan could include a gymnasium but that would add another \$3.4 million to the goal. The commons area will be twice as big as the area our school children are currently using as a gym, and I know it is not the same as a gym, but it will be better than what we currently have available for PE. The important focus in this campaign is that we are beginning to make changes, and we need to continue this attitude. Each step forward makes the whole better, even if the steps seem small. Again, I thank you for your support of the Gather and Grow campaign and I believe God is moving many hearts and great things are happening. God Bless you.

Msgr. Tucker

### Firehawk News

Last week, Miss Nebraska, Raechel Warren, visited the school. She gave a presentation to the older students, story time with the younger students and stopped in to say Hi to the Pre-K. Later she had story time at Chapter's Books & Gifts in support of our school Book Fair. A percent of the proceeds from her time at the book store benefited our school library.

Also, we would like to thank everyone who helped support our Book Fair, it was a great success. We earned \$720 in credit at the bookstore to purchase books as well as \$465 in cash donations and 35 books were purchased and donated directly to the school library. This is double what we have made in the past several years and will go a long way in providing wonderful new books for the school kids to check out.

Thank you so much for your generosity and support of our school!  
-Ms. Tania, School
