MESSAGE FROM MSGR. TUCKER

Dear Parishioners,

I hope you had a good celebration of Thanksgiving. I am grateful for you, for our parish and the goodness that is present in each person. I look at the simple things that go on each day, and the opportunity to celebrate Mass every morning, to spend time in prayer, to visit people at the hospital, and to spend time with the children every day at school, as blessings that I can so easily take for granted. I hope that you will continue to reflect on the blessings in your life. It is in this simple reflection that we come to understand God's great love for us, and it creates a desire in us to know Him and love Him.

It is crazy that we are starting the season of Advent, which also means that we are in the last month of the year. The year has flown by for me, which is a sign that I am getting older. I hear that from older people all the time. I guess I am in that category now!

As we enter into this holy season of Advent, we focus on the greatest gift from God. We focus on the celebration of God incarnate, who desires for us to know Him. He comes to enter our lives, and we prepare for the celebration of His birth by opening our heart to receive Him. We do this by prayer, study, reception of the sacrament of the Eucharist (truly receiving Him into our very self, being in a sense a manger for Him), and by deepening our relationship with Him through the sacrament of confession.

We will have a penance service on the Sunday before Christmas, and there will be more times for confession during Advent. You can start preparing for that sacrament by thinking about the things that are preventing you from a deeper relationship with Jesus. He wants to help us in these areas of our life. He comes to restore us to a deeper life with Him. Open your hearts to Him, and let His love fill your heart! God Bless you.
-Msgr. Tucker

Firehawk News

The Second, Third and Fourth Graders have been learning about the Pilgrims and Native Americans. We read a couple of books to help us learn more about what life was like for them. We learned that a pilgrim is

a person who comes to another country for religious freedom. One of the books, Molly's Pilgrim, taught us what it is like to be a modern-day pilgrim. We ended the week with a Thanksgiving feast. Everyone brought something to share for our meal. Msgr. Tucker, Mrs. Ray, Mrs. Kuehl and Mrs. Nemec joined in as our guests. We hope you have a wonderful Thanksgiving and Joyful beginning to the Advent season.
