MESSAGE FROM MSGR. TUCKER

Dear Parishioners,

We met with our Campaign Committee this week, and we are going to continue to update the parish with information on progress being made through committee work. We will send out a Flocknote message on the Friday after our biweekly meeting. If you have not signed up for Flocknote, contact the rectory office to find out how to do that. There will also be a message in the bulletin regarding updates on the campaign. The campaign committee is very grateful for the participation from the parish yet are focused on achieving more participants. We realize communication is a big key to participation, so there will be a lot of messages sent out in various formats. Please do not get worried about seeing multiple messages but chalk it up to a sign of the times. Busyness leads some to set things aside until a later, calmer time. Repeated messaging hopefully catches someone during that calmer time and hopefully it is a receptive time.

Our Campaign prayer will be a part of our weekend Mass celebration, for two reasons. Firstly, due to gratitude for support and a reminder that all that comes from the campaign is good. The theme of gathering and growing is really at the forefront of my mind. We have so many great people in our parish that are generous with their time, talent and treasure. There are many needs in our parish, and the invitation that the prayer gives us is to participate in this effort to gather and grow and rejoice in the good that comes from our efforts. Secondly, we are continuing our efforts to raise money for these capital improvements. So please pray often for these efforts, and I know God will bless us! God Bless you.

Msgr. Tucker

UNTHINKABLE

WITH ABBY JOHNSON
Is the shocking exposé of the abortion industry and its darkest secrets. After telling her story in the best-selling book *Unplanned* and the subsequent dramatic film of the same name, Abby wanted to dive deeper into her story of transformation from celebrated leader at Planned Parenthood to the outspoken pro-life leader who is now rescuing those with even more horrific experiences than her. Her message is one of bringing the Truth with a call to exemplify the heart of Christ as an army of radical PRO LIFE and PRO LOVE women and men who are called to have the grace and mercy of God.
