THE CORPORAL WORKS OF MERCY

The Corporal Works of Mercy

The Corporal Works of Mercy are found in the [teachings of Jesus](#) and give us a model for how we should treat all others, as if they were Christ in disguise. They "are charitable actions by which we help our neighbors in their bodily needs" ([USCCA](#)). They respond to the basic needs of humanity as we journey together through this life.

The seven Corporal Works of Mercy are listed below. After each work of mercy there are also suggestions and words of advice for living them out in our daily lives.

Feed the hungry - There are many people in this world who go without food. When so much of our food goes to waste, consider how good stewardship practices of your own food habits can benefit others who do not have those same resources.

Give Drink to the thirsty - Many of our brothers and sisters in Christ do not have access to clean water and suffer from the lack of this basic necessity. We should support the efforts of those working towards greater accessibility of this essential resource.

Shelter the homeless - There are many circumstances that could lead to someone becoming a person without a home. Christ encourages us to go out and meet those without homes, affirming their worth and helping them seek a resolution to the challenges they face.

Visit the sick - Those who are sick are often forgotten or avoided. In spite of their illness, these individuals still have much to offer to those who take the time to visit and comfort them.

Visit the prisoners - People in prison are still people, made in the image and likeness of God. No matter what someone has done, they deserve the opportunity to hear the Word of God and find the Truth of the message of Christ.

Bury the dead - Funerals give us the opportunity to grieve and show others support during difficult times. Through our prayers and actions during these times we show our respect for life, which is always a gift from God, and comfort to those who mourn.

Give alms to the poor - Donate money to organizations that have the ability to provide support and services for those in need. Do research and find organizations that put people in need first, rather than profit.

** DISHES **

As always, we want to thank our parish ladies for their generosity when asked for any type of help when called for a funeral. This means so much to the families! Your dishes can be picked up on a small shelf unit in the hallway to the cry room .. next to the wheelchairs. We are trying to clean up the Narthex area. If not picked up by next weekend, we will donate to charity .

As we get ready for the Spirit fundraiser, the committee wanted to let you know that there will be beads and masks available at the event to wear as part of the festivities! You are also welcome to bring your own! We want you to have fun with the theme. Turn in those table reservations by February 16th if you want to join us in the fun! See you March 1st.
