MESSAGE FROM MSGR TUCKER:

Dear Parishioners,

Valentine's day on Friday was a good day to pray for married couples, and it provides a time to reflect a little on the beauty and goodness of marriage. In the book of Genesis it is proclaimed that we are made in the image and likeness of God, and marriage is a visible sign of this image. God as creator has shared that with married couples. God as a community of persons has share that too with married couples. The witness of married love bringing live and love into the world is a way of bringing God to others. This raises the dignity of marriage above a human institution to a divine reality. It is not just a union with another human being, but it is in its reality a communion with God, taking on God's desire to be known by all. Whether you are a married person or not, let us pray together for all married couples and their witness of God to the world.

If you have not signed up for Flocknote, I encourage you to do so. This is a tremendous tool for communication, and one that we are trying to use more. On Friday we sent out an update on the Gather and Grow campaign, and the work that we are doing to continue the efforts of the campaign and our efforts to use the pledges that have been made for the expansion and remodeling of our facilities. The expansion comes first, and the remodeling follows. The important part of that message is that the remodeling is planned to follow immediately, and not when we get to it. We believe through conversations with Clark Enersen Architecture that we will have enough money to add the classrooms and commons to the north and then begin the remodeling. We are communicating with the Diocese about these plans, receiving permission and advice from them, and we are taking the steps they outline for every parish to complete a project of this nature. There is more information about this on Flocknote, so if you don't get that, please call the office to sign up. God Bless you. Msgr. Tucker

2024 Tithing Reports

We have learned that there was a misfortunate error made in our attempt to reach out to each and every household this year. When we produced a non-cash donor report, it created a letter for those individuals who donate to the church gifts of grain and investment distributions. These are not cash gifts. The tax deductions for these gifts are realized on the donors end and not on a cash gifts report that the church produces each year. We regret that this mistake was made and apologize for any hurt feelings it may have created. We have taken steps to avoid this mistake from happening again in the future. St Vincent's, as always, is grateful for the gifts that are given in time, talent and treasure. May God bless you for all you do to help provide for His holy church and school.
