MESSAGE FROM MSGR TUCKER:

Dear Parishioners,

The last months I have been working hard on plans for next school year. As we have already announced, Janet Bohaty will be our principal, and Grace Hamling is going to be our First Grade Teacher next year. Through our discussions with the Advisory Board, we made the decision to continue the 5th and 6th grade class for another year. The students in the 5th and 6th grade will continue their education in another Catholic school the following year, and we will then be PreK through Fourth grade. As enrollment grows, and commitment to continue catholic school education here grows, we will expand to 5th grade and beyond up to 8th grade. Obviously, there is a lot of work, planning and expanding that will happen as we reach that goal, and it is not something that will happen overnight. The School Advisory Board and our School leadership are committed to strengthening and growing our school.

Stating and restating these facts, it is my pleasure to announce that Julianne Christensen will be teaching our upper grade students next year, and the plan is that she will be the Fourth-grade teacher the following year. Julianne is known by many as she has taught and has retired from Seward Middle School. She began teaching at the Middle School in 2000 and her areas of emphasis were Science, Reading intervention, and Math intervention. After a conversation with her, she decided it was time to come out of retirement and help us at St. Vincent's. I look forward to working with her in our school and I believe she will be a great asset to our staff.

I will be meeting with our Parish Council, School Advisory Board, and our Finance Council this month. We will be looking at many things, not just school issues, to help us as a parish grow and continue to follow that will of God. There are many good things happening in our parish, and I want to continue to provide for all in our parish. Please pray for this work and growth and offer prayers of gratitude for the many ways that God has blessed us.

Msgr. Tucker

ANNUAL CSA (DDP) PLEDGE DRIVE 2025

The Annual 2025 CSA (DDP 2025) Pledge Drive is underway, at this weekend's Masses and the weekend that follows. This annual drive, which includes all the parishes in the Diocese of Lincoln helps in many ways, not only our parish but those throughout the Diocese. Upon making our assigned goal, all contributions beyond our goal come back to our parish 100 percent. So pick up your pledge card in the narthex and sign it. There will be a number of workers to assist you in filling it out.

Thank you!

Nebraska Catholic Day of Giving

At St. Vincent de Paul, we are more than a parish—we are a faith-filled family, growing together in Christ. Every day, our church and school provide a place where faith is nurtured, students thrive, and our community comes together in love and service.

Wednesday, May 7, we have the opportunity to support the future of our parish and school. Your generosity helps us continue our mission of faith, education, and community, ensuring a strong foundation for generations to come.

Mark your calendar, pray for the success of this special day, and consider how you can be a part of something bigger. Every gift—big or small—makes a lasting impact!

Advanced Giving is open now!

YOUR CHANGE CAN CHANGE A LIFE!

A Baby Bottle Drive is an easy and fun way for St. Vincent de Paul families to support the Women's Care Center.

Located in Lincoln Nebraska, Women's Care Center is a pro-life pregnancy center dedicated to helping moms choose life. Our mission is to help pregnant women choose life for their babies, have healthier pregnancies, and become better parents...with support from cradle to kindergarten

Women's Care Center has provided us with baby bottles to take home on Mother's Day. Fill the bottle with pocket change, cash and/or checks and return to St. Vincent's on Father's Day. Every little penny counts and it may not seem like a lot, but it adds up quickly. Thank you participating in the Baby Bottle Drive!
