MESSAGE FROM MSGR TUCKER:

Dear Parishioners,

This week we start Catholic Schools Week. This year is also the 25th anniversary of our School. Your support keeps the school running and I am grateful for your generous support. We have also been blessed over the years with the support of the School Sisters of Christ the King. In the early years of the school the Sisters were administrators after Janet Bohaty finished her first time as Principal. The Sisters are still assisting us, with Sr. Anne Joelle present every week, and helping daily while Janet has been on vacation. The Sisters add a special dimension to our school that makes it very easy to see that our primary purpose is to help children grow in their relationship with God. The School Sisters have a very beautiful spirit, and the children feel loved by them. Their witness also helps young girls think about being a Sister. The joy the Sisters bring helps them think that life as a religious is a happy and satisfying way to live. I am truly grateful for the support given to our School that helps it do great things with the children in our care.

As you know, I have been involved with Catholic School nearly my whole life. I attended one, taught CCD in college, worked in a small school while in the Seminary, and then for 36 years as a priest I have either taught or been an administrator of a Catholic school. I can not see myself separated from that work, and it has been a great source of joy for me, too. I love eating lunch with the kids when I have time. I love celebrating Mass for them daily and talking with them during the homily. I love visiting their classrooms and talking with them. They ask great questions and they are simply fun to be around. I have been blessed to be a part of this parish and a part of St. Vincent's School. Let us together continue to pray for the children in our parish as they are the future of the Church, and through faith they will be rocks in society. Let us pray for our school teachers, administrators and staff as they lovingly teach and work with the children of the parish. Let us pray for our future students and their families, as our school grows. God Bless you.

Msgr. Tucker
