Message from Msgr. Tucker: November 8, 2026

Dear Parishioners,

The last few weeks I have been reflecting on our participation in the Mass and the individual invitation from God to give ourselves totally to Him in all that we do, and then have that as our offering at Mass. On Wednesday the Church celebrated the feast day of St. Charles Borromeo. He was a Bishop after the Reformation, and instrumental in the reform of the Church, particularly in the call to holiness. I give you the words of the saint from a sermon to Bishops, and a reflection on it, because these ideas apply to all striving for holiness.

"Would you like me to teach you how to grow from virtue to virtue and how, if you are already recollected at prayer, you can be even more attentive next time, and so give God more pleasing worship? Listen, and I will tell you. If a tiny spark of God's love already burns within you, do not expose it to the wind, for it may get blown out. Keep the stove tightly shut so that it will not lose its heat and grow cold. In other words, avoid distractions as well as you can. Stay quiet with God. Do not spend your time in useless chatter."

"My brothers, you must realize that for us churchmen nothing is more necessary than meditation. We must meditate before, during and after everything we do. The prophet says: I will pray, and then I will understand".

Distractions will come to us, when we are trying to spend time with God, but we need to fight them off, and not let them take control of us. That may begin with an intention on our heart and mind to worship God, and asking for the grace to be attentive. If you come together with others, it would be good to talk about this before or on the way to Mass, and praying for the grace to be attentive and worship God. Sometimes it means being careful of what you are listening too before coming into Mass. The music we listen to, or the commentary from news, affects our mindfulness and peace. Also, the saint urges us to meditate, that is to think mindfully and with our hearts, what we are about to do, what we are doing during the celebration of Mass, and afterwards to reflect on the graces received. If we do these things we will grow in love for the Mass, we will grow in personal holiness, and we will have greater peace and love in our lives. God Bless you.

Msgr. Tucker
